

CPC INTERNATIONAL

General

This qualification is **ONLY** suitable for existing **NATIONAL CPC** holders who want to upgrade their CPC to International operations. **This qualification is only available until December 2012.**

Course Content

The course covers:

- EU Legal Framework
- Technical Standards and Aspects of Operation
- Passenger / Freight Movements
- Vehicle Costing
- International Passenger Journeys / Route Planning
- Road Safety, Speed and Weights
- Operator Licensing and Types of Operations
- Regulations & Agreements and Documents required
- Drivers' Hours and Tachographs
- Financial Requirements
- Insurance

Course Duration Three days (plus exam day)

Examinations The exam is a 1 hour closed book exam that requires short answers.

Trainee Selection It is extremely important that the right candidate is selected to attend. The trainee is expected to be at a Level III in terms of literacy, numeracy and understanding the transport industry. Whilst the course is open to any applicant, those who are not at this level may find it difficult to pass the exams. Information on course and candidate suitability is available on the OCR website http://www.ocr.org.uk/qualifications/type/vrq/cpc/nrh_l3/documents/index.html

Course Loading Max trainee / instructor ratio is 16:1

Course Location Public courses are held regularly at Specialist's training centre at Altham, Lancashire

Certification Upon successfully passing the examinations a certificate will be awarded by OCR. Results are published 8 weeks after the examination date.
