

# DRIVER CPC FUEL EFFICIENT DRIVING

## General

This course is suitable for all drivers of passenger carrying vehicles and goods vehicles who drive regularly in a variety of road and traffic conditions. This course is a practical course and will require the use of a vehicle to carry out the training.

## Course Content

### The course covers:

- Introduction to fuel efficiency
- Responsibilities for fuel efficiency
- Main ways to become a fuel efficient driver
- Vehicle checks
- Practical driving

**Course Duration** The course is one training day (7 hours) long.

**Course Loading** Max trainee / instructor ratio is 2:1.

**Course Location** Specialist's training centre at Altham, Lancashire or at customer premises or suitable nearby locations nationwide. Customer will need to provide the vehicle to use on the day.

**Certification** All trainees will be certificated and their attendance on the course will be notified to the Joint Approvals Unit for Periodic Training (JAUPT).

Marian Davies - Human Resources Manager - Cooke Fuels

**'The benefits included increased morale and fuel efficiency and also provided a refresher and re-cap on safe driving practices ensuring our drivers work to the highest standards!'**
