

# DCPC USE OF MHE REFRESHER

## General

The "Use of Mechanical Handling Equipment (MHE) - Refresher" course is a largely practical course that refreshes the skills of existing Fork Lift Truck operators. Many goods vehicle drivers either carry lift trucks with their vehicle or regularly use lift trucks for loading their own vehicles from warehouses or yard before they commence their journeys. The course runs alongside the RTITB Fork Lift Truck refresher course.

## Course Content

### The course covers:

- The safe operation of MHE
- Pre use inspection
- Practical training
- Exercises
  - Pre use
  - "What happened next"
  - Associated knowledge
  - Practical

**Course Duration** One day

**Course Loading** Max trainee / instructor ratio is 3:1

**Course Location** Public courses are held regularly at Specialist's training centre at Altham, Lancashire or at customer premises or suitable nearby locations nationwide.

**Certification** Upon successfully passing the RTITB test the trainee will be issued with an "RTITB Basic Operators Refresher certificate plus be registered as attending 7 hours towards their Driver CPC with the DSA.
