

ADR RADIOACTIVES (Carriage of Dangerous Goods by Road)

General

This course has been designed for drivers who transport by road regulated specialist dangerous goods in packages. Drivers have to attend an approved course and pass an approved examination set by SQA.

This course is a separate stand alone module and will only be valid until the Core module expires. Attending the course is classed as 'duty time'.

Course Content

This course covers only one module from the 12 available modules from an ADR course. As this is a specialist area this module will only cover aspects related to the transportation of Class 7 Radioactive substances.

Examinations:

All questions are multiple choice and are taken at the end of the training programme.

Course Duration 1 day

Course Loading Max trainee / instructor ratio is 20:1

Course Location Altham, Lancashire or at suitable customer premises or nearby locations nationwide.

Certification Certificates will only be issued when the exam has successfully been passed.
