

ADR TANKS

(Carriage of Dangerous Goods by Road)

General

This course has been designed for drivers who transport regulated dangerous goods in road tankers or tank containers. Drivers have to attend an approved course and pass an approved examination set by SQA.

If this module is taken as a stand alone course then its validity will only be until the Core module expires. This course can be carried out immediately after the ADR Initial course or as a separate stand alone module as an 'add-on'. Attending the course is classed as 'duty time'.

Course Content

This course covers only one module from the 12 available modules from an ADR course. As this is a specialist area this module will only cover aspects related to dangerous goods transported in road tankers or tank containers.

Examinations:

All questions are multiple choice and are taken on the last day of the training programme.

Course Duration 1.5 days

Course Loading Max trainee / instructor ratio is 20:1

Course Location Altham, Lancashire or at suitable customer premises or nearby locations nationwide.

Certification Certificates will only be issued when the exam has successfully been passed.
